This information sheet is designed for the individual caddies to respond to. We are wanting to hear from the caddies (not their parents) in hopes of getting a better insight into his or her level of interest.

How did you hear about our caddie program?

Why do you want to become a caddie?

Why do you think you will be a good caddie?

What golf and/or caddie experience do you have (if any please explain)?

We are hiring caddies who are motivated, interested and available to work at least 20-25 loops (18-hole rounds) per year. How often do you plan on caddying this year? Please provide the days and times (AM-PM) you would be available to caddie.

What goals do you have this summer? Not only for caddying but your summer goals in general?

What sports do you participate in? When does your season run – start to finish date?

Do you have any vacations, summer camps or any other commitments planned? If so, when are they?

Do you have any physical conditions that would prevent you from being able to carry a 35-pound golf bag 5 ½ miles over a 4-hour period?

Transportation to and from the course is an important factor for caddies. What will be your primary transportation method? (Mom, dad, sibling, walking, bike, other?)

Would you be available on short notice (i.e., 1 hour or so?) to get a ride to the course for a caddie loop. For example, if a golfer decides at 11 AM on a Wednesday that he is going to play golf at noon, what would the likelihood be of you being available and able to get to the golf course with one hour's notice?

Grades are very critical component and a core value of any caddie. We are wanting the caddie experience to complement your education. Please provide the name and phone number of your guidance counselor at school who we can contact to discuss your academic achievements.

The Evans Scholarship is a four-year, full-tuition college scholarship that is awarded to high school seniors who have caddied for at least two summers, get good grades, have outstanding character and whose families have financial need.
